

Hi – I'm JEAH LABASTIDA

WEB DEVELOPER

An Information Technology graduate seeking a web developer position. Skilled in web development and eager to apply knowledge to create useful and effective solutions. A fast learner who values teamwork and communication.

ABOUT ME

I am an IT graduate specializing in web development. I have hands-on experience as a Web Development Assistant during my internship, where I assisted in designing and updating company websites. I am passionate about building modern, user-friendly, and accessible solutions, and I aim to continuously grow as a technology professional.
